It is therefore requested that when spare copies are wanted, a note to that effect, stating the number of copies, be made at foot of such notification, etc.

No. 10—15-10-1901.—If no instructions, either at foot of notifications, or separately by docket, accompany any matter, it will be printed in the language in which it is written, and published only once.

NOTICE.

No. 1—10-9-1901.—The *Mysore Gazette* is published at Bangalore every Thursday. Application for the supply of the Gazette on *Public Service* should be addressed to the Secretary to the Government of Mysore, General and Revenue Departments. Postage is not charged for places within the Mysore Province. All subscriptions and advertisement charges must be paid *in advance* to the Compiler of the *Mysore Gazette*.

No. 2—10-9-1901.—Much inconvenience is caused in this office by subscribers not giving their full and correct addresses, and writing illegibly on the money order coupons, which are unfit for record.

No. 3—10-9-1901.—It is notified that as all Taluk Treasuries are authorized to receive subscriptions for the Gazette, money orders sent to this office will not be received, except from outside the Province.

No. 4—10-9-1901.—Communications on post-cards or on paper less than half a sheet of foolscap will not receive attention.

No. 5—1-10-1901.—An efficient system of check and counter-check is maintained over the despatching of Gazette copies forwarded through Post. No responsibility will be accepted when copies miscarry, or are not delivered to addressees, and such losses will not be replaced by duplicate copies.

No. 6—1-10-1901.—Complaints regarding non-receipt of the Gazette should be forwarded to the undersigned within a week after the date on which it is due.

No. 7—15-10-1901.—Copy is sometimes sent to the Press late on Wednesday evenings for publication in the next day's Gazette. This involves considerable inconvenience to the Press and expense to Government. It is therefore notified that all matter intended for publication in Parts II, III and IV should reach this office not later than Tuesday evening; and that for Part I not later than the forenoon of Wednesday, for the following Thursday's issue of the Gazette.

No. 8—15-10-1901.—It is requested that Departments will refrain from sending to the Press any matter for publication as extremely urgent later than 12 noon on Tuesdays when such matter can without inconvenience be held over for the next week's Gazette.

No. 9—15-10-1901.—Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its resetting, causing inconvenience to the Press and waste of money. It is therefore requested that when spare copies are wanted, a note to that effect, stating the number of copies, be made at foot of such notification, etc.

No. 10—15-10-1901.—If no instructions, either at foot of notifications, or separately by docket, accompany any matter, it will be printed in the language in which it is written, and published only once.

G. HUME WRIGHT,
Compiler, Mysore Gazette.

KOLAR GOLD FIELDS.

MINUTES OF A SPECIAL MEETING OF THE KOLAR GOLD FIELDS SANITARY BOARD, HELD ON THE 17TH NOVEMBER 1902.

PRESENT.

Ex-Officio Members.

R. B. Plumer, Esq., Vice-President.
E. S. Krishnaswamy Iyer, Esq., Civil Surgeon.
G. Lavelle, Esq., Inspector of Mines.

Non-Official Members.

Richard Hancock, Esq.
R. H. P. Bullen, Esq.
Dr. T. J. O'Donnel.
R. E. George, Esq.

1. The President explained to the Board the object for which the special meeting had been convened, namely, to consider the relative positions of the Sanitary Board and Plague staff with regard to Plague Administration on the Field, and to determine the strength of establishment which was necessary for each.

2. A letter from Dr. O'Donnel, Chief Medical Officer of the Mining Board, on the subject, was read suggesting that the Plague and Sanitary Board establishments should be amalgamated and constituted into one establishment, and placed under one supervising officer, as was the case on the mining properties.

3. The President pointed out that, although for some reasons it would be advantageous to amalgamate the two Departments, from the nature of the work, and the different sources from which each Department was paid, the proposal would be practically unworkable.

Plague expenditure in a great part being met frem *Provincial Funds,* and the expenses of the Sanitary Board establishment from the Sanitary Board Funds.

The duties also being of such a divergent nature, two separate officers, *viz.*, the Vice-President, Sanitary Board and Civil Surgeon as Plague Officer, were required to adequately supervise them, the Civil Surgeon having his Government Hospital, Plague Hospital, Plague Inspection work to supervise, the Vice-President having his Municipal, Licensing, Magisterial and other duties, all connected with the Sanitary Board work to look after.

The President, however, added that both Departments were virtually *under one head,* namely himself, as President of the Sanitary Board, and Deputy Commissioner in charge of the *Plague Administration of the District.*

4. He further called attention to the fact that during the last three years, the income of the Board had more than doubled itself, and that, as a natural consequence, the responsibilities of the Board, and the purely Municipal work of the Board's establishment had proportionately increased.

5. He then read out a statement showing the various duties carried out by the Sanitary Inspector of the Board as follows :—

STATEMENT.

(i) To inspect 86 villages and 6 cooly colonies, and to supervise their general sanitation.

(ii.) Attending to building applications in the Sanitary Board area and seeing that the orders regarding the proper construction of such buildings are carried out.

Note.—1901-02 building applications 192.
1902-03 do 46.

(iii.) Issuing notices to parties to put their drains and cess-pits in order and to protect private wells, to improve sanitary condition of their houses and to prevent overcrowding in the residences of mine coolies.

Note.—In 1901-02—205 complied with,

98 time given for compliance,

(iv.) Attending to applications for licenses to sell articles for human consumption in the different villages.

(v.) Issuing licenses.—157 in the past year.

(vi.) Attending to Wednesday and Sunday shandy collections and on pay shandies Saturday and Sunday.

Note.—A full day's work for 2 days weekly.

(vii.) Collecting rents from the various cooly colonies monthly—

(viii.) Inspection of nine slaughter sheds and eight cattle pounds.

(ix.) Supervising Sanitary Board works, such as construction and repair of slaughter sheds, drains, cattle-pounds, latrines, wells, marking out sites for cooly colonies, buildings, roads etc.

(x.) Checking estimates, measuring up works, and submitting bills in conjunction with the Work Inspector.

(xi.) Prosecuting persons for infringement of the Sanitary Rules and Bye-laws—59 *cases* in the past year.

Note.—During the prevalence of plague for the past three years in the villages of the Sanitary Board area, the Overseers and Sanitary Inspector invariably helped the plague authorities in plague work.

6. The President explained that from the fees levied weekly in the market, an income of at least Rs. 1,500 per mensem may be reckoned on; and that when the cooly colonies are complete, the monthly income from rents would probably reach a total of Rs. 1,000, which meant that the Sanitary Inspector Mr. Fairman and his Sanitary Board staff, in addition to their other Municipal duties, were responsible to the Board for the punctual collection of rents and fees amounting to nearly Rs. 2,500 monthly.

7. This being the case, the President asked the Board to sanction the employment of an additional establishment under the Sanitary Inspector to meet the increasing demands on the resources of the Sanitary Staff, of—

2 Rent-collectors on Rs. 15 each per mensem.
4 Extra sweepers on „ 8 do
1 Lamp-lighter „ 10 do
1 Watchman „ 10 do

the extra cost to be met from market fees and cooly colony rents.

A more competent Work Inspector also having been taken on, it was proposed to raise his pay from Rs. 25 to 35 per mensem.

8. With regard to the plague establishment employed on the Gold Fields and surrounding villages, the Vice-President stated that he had deputed two Sanitary Board Overseers to work entirely under the orders of the Civil Surgeon, and that the whole of the Sanitary Board staff, including the Sanitary Inspector Mr. Fairman, made it a distinct and important part of their duty to report all cases of plague, and help the plague authorities in disinfection and other purely plague work; and that this course had invariably been followed from the time the Sanitary Board had come into existence.

9. The President proposed the following establishments to work directly under the Vice-President, Sanitary Board, and Civil Surgeon, Plague Department, in view of preventing any misunderstanding arising as to the legitimate duties devolving respectively on the Sanitary Board and plague staffs, keeping clearly in mind that the Sanitary Board staff were to co-operate in every way with the plague establishment in purely plague work:—

Sanitary Board Vice-President's establishment.	Civil Surgeon's Plague establishment.	
1 Sanitary Inspector. 2 Sanitary Overseers. 2 Bill-collectors. 1 Work Inspector. 1 Shekdar. 20 Totis for villages. 10 Do for cooly colonies. 3 Do for Police lines, chattram, etc. 14 Sweepers for Ooregum village market and new town. 1 Lamp-lighter. 1 Watchman.	1 Sub-Assistant Surgeon. 1 Hospital Assistant with full staff of Hospital servants costing 150 a month. 1	Plague Hospital.
	1 Plague Inspector. 2 Assistant Inspectors. 2 Sanitary Overseers. 24 Plague constables. 24 Totis for disinfection and plague work.	On the Fields.
	1 Assistant Plague Inspector at Bowringpet.	

The Vice-President and Civil Surgeon stated that they were perfectly satisfied with the above arrangements and distribution of staffs.

10. After some further discussion, it was resolved by the Board that the President's proposals be approved and Government requested to sanction the entertainment of the additional staff necessitated by the above arrangements.

No. 3—10-9-1901.—It is notified that as all Taluk Treasuries are authorized to receive subscriptions for the Gazette, money orders sent to this office will not be received, except from outside the Province.

No. 4—10-9-1901.—Communications on post-cards or on paper less than half a sheet of foolscap will not receive attention.

No. 5—1-10-1901.—An efficient system of check and counter-check is maintained over the despatching of Gazette copies forwarded through Post. No responsibility will be accepted when copies miscarry, or are not delivered to addressees, and such losses will not be replaced by duplicate copies.

No. 8—15-10-1901.—It is requested that Departments will refrain from sending to the Press any matter for publication as extremely urgent later than 12 noon on Tuesdays when such matter can without inconvenience be held over for the next week's Gazette.

No. 9—15-10-1901.—Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its resetting, causing inconvenience to the Press and waste of money. It is therefore requested that when spare copies are wanted, a note to that effect, stating the number of copies, be made at foot of such notification, etc.

No. 10—15-10-1901.—If no instructions, either at foot of notifications, or separately by docket, accompany any matter, it will be printed in the language in which it is written, and published only once.

It is therefore requested that when spare copies are wanted, a note to that effect, stating the number of copies, be made at foot of such notification, etc.

No. 10—15-10-1901.—If no instructions, either at foot of notifications, or separately by docket, accompany any matter, it will be printed in the language in which it is written, and published only once.

Non-Official Members.

Mr. T. Swamiraya Char, Inamdar Member.
" T. Shadaksharappa of Davangere.

(1) Read Budget estimates of receipts and expenditure for the year 1903-1904.

Resolved that the same be modified as noted in Resolution No. II below, and submitted to Government for sanction.

(2) Read Government Proceedings No. 9666-70—L. F. 10-1902, dated 9th December 1902, transferring Rs. 705 out of the provision made for maintaining the Holalkere-Huliyar road (12 miles) in the sanctioned District Fund Budget of the Tumkur Local Fund Circle.

Recorded.

(3) Read Government Proceedings No. R. 2255-8, dated 19th November 1902, enquiring whether the District Fund Board is willing to pay one-half of the cost of maintaining Jogimatti road, the other half being debited to Forest Department.

Resolved that half the cost of maintaining the road be met from District Funds.

(4) Read Executive Engineer's docket No. 1080, dated 1st December last, forwarding for approval an estimate for Rs. 2,582 for improving the bund of Anaji tank, Davangere Taluk, over which passes the Anaji-Jagalur road.

Resolved that only items (*a*) and (*d*) be provided for from District Funds, as the other items, *viz.*, (*b*) and (*c*), form a legitimate charge on Irrigation Funds.

(5) Read Executive Engineer's No. 49, dated 14th January 1903, requesting to be furnished with the opinion of the District Fund Board in regard to the line adopted for Chitaldrug-Naikanhatti road.

Resolved that the road past Turuvanur be preferred to the one tapping Hayakal.

(6) Read Executive Engineer's docket No. 992, dated 4th November 1902, requesting to be informed as to whether the cost of turfing the rear slope of Sultanipur tank bund, over which the Kodaganur road passes, cannot be borne by the District Fund Board.

The Board observe that the turfing work is not a proper charge on District Funds, as the same has to be done at the cost of the raiyats concerned.

(7) Read Chief Engineer's No. 236, dated 21st January 1903, intimating that the proposals of converting the present travellers' bungalow at Hosdurga into a dispensary and of constructing a new travellers' bungalow in its place, must lie over for the present, as funds are not likely to be available at any rate next year.

Recorded.

(8) Read Executive Engineer's memo accompanying docket No. 148, dated 16th instant, intimating that an estimate for Rs. 55,000 for opening a new road between Chitaldrug and Naikanhatti, is under preparation in his office and requesting that a provision of Rs. 10,000 be made in the next year's budget for this work pending sanction to the estimate.

Resolved that the work be held over for the present, as funds are more urgently required for the improvement of some of the existing roads.

(9) Read again memo from the Executive Engineer, Chitaldrug Division, requesting that the present mileage allotments of Bharmagiri-Hosdurga and Biderkere Railway feeder roads *viz.*, Rs. 50 and 40 respectively be raised to Rs. 100 each as the present allotments are quite insufficient to keep the road in proper order.

Resolved that as the bulk of the traffic passing along the above roads is in connection with the Marikanave works and the deteriorated condition of the roads is due to the same cause, a proposal be submitted to Government suggesting that the increased allotment of Rs. 50 and 60 respectively be met from Provincial Funds.

(10) Read Executive Engineer's memo proposing that as the road from Bharmagiri to Hosdurga is to be specially dealt with for the reasons already stated, a provision of Rs. 2,000 be made in the next year's budget for this purpose.

Resolved that a proposal be submitted to Government to meet this charge from Provincial Funds for the reasons given in Resolution No. 9 above.

(11) Read Executive Engineer's memo stating that a compound wall has been urged by successive medical officers to be necessary to the Female Dispensary at Chitaldrug, and requesting that a provision of Rs. 400 be made in the next year's budget as the District Fund quota.

Resolved that the provision asked for be made in the next year's District Fund Budget.

(12) Read memo from the Executive Engineer, submitting for the reconsideration of the Board, the question of taking over charge of the Inspection Lodge at Chitaldrug by the Revenue Department, as the matter has been referred to him by the Chief Engineer for report.

Resolved that the Resolution already adopted be adhered to.

Notice, dated 26th March 1903.

The following business will be transacted at a Special Meeting of the Municipal Commissioners for the City of Bangalore, to be held at their office premises now transferred to the building in the District Office road, where the Bangalore Taluk Office was hitherto being held, at 7-30 A.M., on Friday the 3rd April 1903 :—

1. Consideration of the Draft Budget estimates of the Bangalore City Municipality for 1903-1904.

P. PALPU,
for *President.*

Explanatory Memo to accompany the Draft Budget Estimates of Receipts and Expenditure of the Bangalore City Municipality for the year 1903-04.

The income and expenditure as sanctioned for 1902-03 are as follows :—

	Rs.
Receipts	2,04,700
Add opening balance as given in Government Proceedings No. 13109-14—L. F. 11-02, dated the 26th February 1903	23,776
Total ...	2,28,476
Expenditure	2,28,221
Estimated closing balance	255

The following estimate of receipts and expenditure is framed for the year 1903-04 :—

RECEIPTS.

I. OCTROI.

Sanctioned for 1902-1903. Rs.	Estimated for 1903-1904. Rs.
48,650	54,850

The provision of Rs. 6,200 in excess of the sanctioned estimate for the current year under this head is made in accordance with the actuals of 1901-02, having also in view the steady increase in the import of piece-goods, timber, cocoanuts and other dutiable articles every year.

III. LICENSE RECEIPTS.

24,500	25,000

The increase of Rs. 500 shown under this head is expected to be realized under "(*b*) Other Licenses."

VI. TOLLS.

15,300	21,000

The actual collections under this head during the year 1901-02 was Rs. 18,272. Owing to loss said to have been sustained by the contractors in 1901-02 on account of plague and other causes, the bid secured this year was low. The sanctioned estimate for 1901-02, *viz.*, Rs. 21,000 is however repeated in this budget on the hope that revenue under this head would regain its normal condition. In case this sum is not realized, it is intended to work the Tolls Departmentally.

VII. MOHATARFA.

12,800	13,200

A slight increase of Rs. 400 is expected to be realized under this head.

VIII. RENTS.

8,000	8,700

The increased estimate is based upon the actuals of 1901-02.

X. MISCELLANEOUS.

39,000	39,900

A sum of Rupees 900, in excess of the estimate of 1902-03 is expected under School fees, sale of grass and notice and warrant fees.

Other items call for no remarks.

tioned for 02-1903. Rs.	Estimated for 1903-1904. Rs.	
		EXPENDITURE.
		II. HEAD OFFICE.
1,536.	11,776	As the President cannot be expected to attend to his duties in connection with the City, which is an additional charge without remuneration, the original provision of Rs. 150, under President's allowance is inserted. The combination of the offices of the Vice-President and Health Officer has been working satisfactorily. The arrangement may therefore be continued. An allowance of Rs. 150+50 is accordingly provided for the Health Officer for his duties as Vice-President. These two items can be met out of the provision now existing under the head of Vice-President's pay and allowance.
		An increase of Rs. 240 is proposed for the purpose of giving increment to the pay of the marginally noted officials who have had no promotion for some years past.
		Manager Rs. 10, (has had no promotion since he joined the Municipality). English Record-keeper Rs. 5. Vernacular Record-keeper Rs. 5. (They have been drawing the present pay for over 12 years).
		III. COLLECTIONS.
2,590	12,734	An increase of Rs. 5 each is proposed to be given to one of the Shanbogues in the 1st grade and to another in the 2nd grade who have had no promotion since 1877 and 1886 respectively. The contingent charges of this office is also proposed to be raised by Rs. 2 a month as the present provision of Rs. 5 is found to be insufficient.
		IV. CONSERVANCY.
4,556	34,856	The establishment under this head has to be revised. Certain proposals made by the Health Officer last year were approved by the board and submitted for sanction.
		A separate reference will be made to Government on the subject; pending which the existing provision is retained.
		(*b*) *Under other charges.*—An increase of Rs. 300 is provided for the purchase of conservancy carts which are badly required.
		VI. REGISTRATION.
2,760	2,496	(*c*) *Burial ground.*—The services of the burial ground Duffedars were dispensed with last year and the supervision of the work of the watchmen entrusted to the Plague Police Inspector. This arrangement is reported to be working satisfactorily. The pay of the Duffedars is accordingly omitted in the Budget.
		VII. LIGHTING.
4,602	15,770	An increase of Rs. 1,168 is provided to meet the cost of lighting additional lamps put up during the current year.
		VIII. PUBLIC WORKS.
6,086	6,096	(*a*) *Supervision.*—An increase of Rs. 5 is proposed to be given to the clerk who has put in 12 years' service on a pay of Rs. 10. The provision of Rs. 50 usually made for "printing charges" is omitted as it can be met from the amount provided for the purpose under Head office.
4,500	17,000	(*b*) *Roads original.*—The provision under this head was reduced during the past two years from Rs. 20,000 to Rs. 15,000. Many of the roads are in a very bad state at present and to put them in thorough repair a sum of Rs. 37,000 is required; but as no funds are available the estimate has been reduced to Rs. 17,000.

(*d*) *Drains original.*—The special provision of Rs. 8,000 sanctioned by Government in Proceedings No. 13109-14—L. F. 11-1902, dated 26th February 1903, for widening the main drain is omitted and the usual provision of Rs. 3,000 is retained.

The newly opened lanes in the City have to be provided with drains and the lanes themselves put in order. The cost of this work will come to Rs. 25,000. Separate reference will be made to Government on this subject.

(*e*) *Drains repairs.*—Many drains in the City want repairs and resetting badly. An increase of Rs. 1,542, is therefore provided under this head.

(*g*) *Water supply repairs.*—As water from the Dharmambudhi tank is not now used for drinking purposes, the provision of Rs. 500, under this head is omitted. The services of the special watchman and toti will be dispensed with and the Conservancy Department directed to keep the channel as clean as possible.

(*h*) *Buildings original.*—Public latrines and urinals are required in several parts of the City. An increase of Rs. 2,000 has therefore been made under this head for this year. The provision under buildings original was formerly Rs. 3,000 to 3,500.

(*i*) *Buildings repairs.*—Almost all the existing public latrines have to be repaired as they have not been attended to for several years. The usual repairs of other Municipal buildings have also to be carried out. An extra provision of Rs. 2,000 has therefore been made under this head.

Road watering and planting.—The provision under this head is raised by Rs. 300. The usual amount provided under this head was from 2,000 to Rs. 2,500.

(*k*) *Other works original.*

(*l*) *Other works repairs.*—Rs. 2,000 are provided in excess of last year's estimate under these heads to meet the cost of meat stalls proposed to be constructed and other works of a miscellaneous nature to be carried out during the year.

(*m*) *Compensation.*—The provision under "Compensation" required to be paid in connection with the opening of conservancy and other lanes is increased by Rs. 1,000 as there are several lanes that have to be opened out urgently.

IX—CHARITABLE GRANTS.

E. D. Hospital.—The saving of Rs. 84 shown under E. D. Hospital is due to the transfer of the sheds in the Lal-Bagh road health camp to Upparahally camp and the consequent dispensing with the watchman attached to the former camp.

Provision is made only for three Dispensaries. The charge for the one in the IV Division which used to be provided for year after year is omitted as this dispensary has not been opened. The provision made in the sanctioned Budget for pay and allowance for Itinerant Medical Officer as in former years has also been omitted as no such officer is now employed. This accounts for the decrease of Rs. 888 under dispensaries as compared with the sanctioned Budget.

Vaccination.—A sum of Rs. 80/ is provided in excess of the sanctioned amount under this head to meet the cost of Lanoline vaccine supplied from the Government Institute.

Anna Chattram.—At present there is a Supervisor on Rs. 10 and a writer on Rs. 6. One of the two hands may be dispensed with. It is therefore proposed to do away with the post of the writer and retain only the Supervisor under the designation of Parapettegar who will hereafter do the duties of the writer as well. The savings that will thus be effected is proposed to be included in the feeding charges.

Tirupati Pilgrim Chattram.—The provision of Rs. 500 made in the sanctioned budget under this head is omitted as the need for this Institution has not been felt since the opening of the E. D. Hospital. The establishment will be dispensed with and the men employed elsewhere if possible.

Home for Incurable Paupers.—An increase of Rs. 24 is provided under this head in view to small increments being given to the pay of cook and sweeper who are now under-paid.

X EDUCATION.

At the instance of the Committee appointed for the management of Schools, the pay of the Head Master of the Municipal English School is proposed to be raised from 70 to 100. Provision accordingly made accounts for the increase of expenditure under this head.

XI MISCELLANEOUS.

Pounds.—The decrease under Pounds is due to the omission of Rs. 260 provided hitherto for the Pound at Ulsoor gate which has been closed for some years as not being required.

Out of the savings thus effected it is proposed to give an increase of Rs. 2 to the watchman in the Mysore Road Pound who gets a poor pay of Rs. 4.

Fairs and festivals.—A provision of Rs. 1,000 based upon the actuals of the past year is made under this head.

The total receipts estimated, amounts to Rs. 2,19,100 and the expenditure Rs. 2,19,040. The items of expenditure have been carefully scrutinized and no further reductions appear to be possible. The Board therefore regret their inability to pay the usual contribution of Rs. 12,000 towards interest and repayment of loan, and beg Government would excuse the payment till their finances improve. Should however Government consider that at least the interest should now be paid and payment of portion of the capital delayed, it is requested that they will be pleased to deduct the amount due towards interest from the closing balance if there be more than the minimum required. At present according to accounts maintained in this office, there is a balance of Rs. 44,004-3-4. It is hoped there will be at the close of the year sufficient amount left to meet the interest due and leave at the credit of the Municipality not less than Rs. 10,000 *i. e.* the minimum balance laid down by Government.

No. 3—10-9-1901.—It is notified that as all Taluk Treasuries are authorized to receive subscriptions for the Gazette, money orders sent to this office will not be received, except from outside the Province.

No. 4—10-9-1901.—Communications on post-cards or on paper less than half a sheet of foolscap will not receive attention.

No. 5—1-10-1901.—An efficient system of check and counter-check is maintained over the despatching of Gazette copies forwarded through Post. No responsibility will be accepted when copies miscarry, or are not delivered to addressees, and such losses will not be replaced by duplicate copies.

No. 7—15-10-1901.—Copy is sometimes sent to the Press late on Wednesday evenings for publication in the next day's Gazette. This involves considerable inconvenience to the Press and expense to Government. It is therefore notified that all matter intended for publication in Parts II, III and IV should reach this office not later than Tuesday evening; and that for Part I not later than the forenoon of Wednesday, for the following Thursday's issue of the Gazette.

No. 8—15-10-1901.—It is requested that Departments will refrain from sending to the Press any matter for publication as extremely urgent later than 12 noon on Tuesdays when such matter can without inconvenience be held over for the next week's Gazette.

No. 9—15-10-1901.—Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its resetting, causing inconvenience to the Press and waste of money. It is therefore requested that when spare copies are wanted, a note to that effect, stating the number of copies, be made at foot of such notification, etc.

No. 10—15-10-1901.—If no instructions, either at foot of notifications, or separately by docket, accompany any matter, it will be printed in the language in which it is written, and published only once.

EXCISE DEPARTMENT.

SALE OF DRUG SHOPS FOR 1903-1904.

Notice No. 5807-7, dated 24th March 1903.

1. Notice is hereby given that the exclusive privilege of selling intoxicating drugs in each of the shops specified in the schedule hereto appended, for the twelve months beginning with 1st July 1903 and ending with 30th June 1904, will be put up to public auction by the respective Deputy Commissioners or by Assistant Commissioners specially authorized by the Deputy Commissioners for the purpose, at the respective taluk head-quarters, on the dates specified in the said schedule, subject to the conditions hereinafter set forth.

2. Each bidder at the auction will deposit a sum of Rs. 5, or such other reasonable amount as may be fixed by the officer conducting the sale, previous to bidding. Each shop will be knocked down to the approved highest bidder, subject to formal confirmation by the Deputy Commissioner, who will be at liberty to accept or reject the bid at discretion without assigning reasons for the same. Such formal confirmation will, *unless revised by Government*, be tentamount to an acceptance of the bid. Parties intending to bid must attend either in person or by duly accredited agents.

3. As soon as the auction is completed, the deposits made by the unsuccessful bidders and not forfeited as hereinafter provided, will be returned to them. As the auction proceeds, the person whose bid is accepted for each shop shall at once deposit a sum equal to $\frac{5}{8}$ths of a month's rent for that shop. Should he fail to do so, the deposit made by him under para 2 will be forfeited, the shop will at once be put up again on the above conditions, and he will be debarred from bidding again for the same or for any other shop.

4. The persons to whom the shops have been knocked down, and who have made deposits as provided in paras 2 and 3, shall also, within seven days from the date of the auction, deposit such further sum as, with the first and second deposits, will make up an amount equal to two months' rent of each shop knocked down to them; and shall take out licenses and execute a

counterpart engagement, in the prescribed forms, on the conditions hereinafter set forth. On the failure of any person to make the deposit or to take out license or to execute the counterpart engagement, as aforesaid, the shop will be re-sold at the risk of such person, or if the auction hereby notified has already been completed, will be otherwise disposed of at the discretion of the Deputy Commissioner. In the case of the purchaser's death after the confirmation of the sale, it will be binding on his heirs or assigns.

5. Re-sales effected under para 4 will be at the risk of the defaulting bidder, who will forfeit all gain; and in the event of a loss by re-sale, he will make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case, the forfeited deposit will be deducted from the loss arising from the re-sale and the remainder, if any, will be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by re-sale, the whole of such deposit will be credited to Government.

6. The license to be taken out under para 4 above, shall be subject to the following conditions, namely:—

(1) The amount for which the privilege has been purchased shall be payable into the Taluk Treasury on the prescribed challan in equal monthly instalments commencing from July 1903; each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent shall be payable on or before the 20th of the same month on the challan prescribed for the purpose. If such amount be less than Rs. 12, it shall be paid up in not more than three instalments. The deposit of two months' rent made by the licensee, will be taken in payment of the rents due for the last two months of the period of the license. Failing payment by the 20th of the same month, the Deputy Commissioner shall at once proceed to recover the arrears together with interest at 6 per cent under the rules in force for the collection of land revenue. No remission or abatement of the rent shall, on any account whatever, be claimable by the licensee.

(2) The licensee shall purchase Ganja and Majum from any Bonded Depôt at the rates of Rs. 0-13-4, and Rs. 0-5-4, respectively, per seer of 80 tolas; and shall pay the price to the Mutsaddi in charge of the Depôt.

(3) The rates payable as above, shall be in addition to Excise duty, which shall be prepaid into the Taluk Treasury, or into any other Government Treasury with the permission of the Deputy Commissioner, at Rs. 3-6-8 per seer of Ganja and Rs. 0-11-8 per seer of Majum, (including local cess).

(4) The Ganja sold by the licensee, shall be of good quality and unadulterated, and it shall be sold by him at Rs. 5 for a seer of 80 tolas of Ganja and of Rs. 1-10-8 for a seer of Majum; and the whole stock of Ganja and Majum on hand shall be kept in the licensed shop and not elsewhere on any pretext whatever, without special permission.

(5) The licensee shall use such scales and weights as may from time to time be prescribed by Government, and provide himself with the printed forms of accounts and permits or passes for transport of Drugs, which forms shall be purchased from local Excise Officers.

(6) The licensee shall be bound to take over any Drugs which may remain as stock in hand belonging to the out-going licensee on the 1st July 1903 in the existing shop, paying to the latter such compensation for the same as may be fixed by the Deputy Commissioner.

7. The licensee shall be bound by the rules in force, and by such further rules as may be issued from time to time by Government.

(8) The remaining terms and conditions shall be as set forth in the prescribed license.

7. In the case of any breach of the above conditions either by the licensee, or with his connivance and privity, by any person in his employment, or in the event of the licensee neglecting to open his shop or to carry on his business with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding Rs. 10 for every such breach or neglect, or at the option of the Deputy Commissioner to declare the money deposited with him forfeited, and to cancel the license and to re-sell or to otherwise dispose of the privilege at the risk of the licensee; and all loss thereby caused, together with the loss accruing to Government in consequence of the licensee not carrying on his business by opening his shop on 1st July 1903 shall be made good by him. When a license is cancelled, the rent for the whole period of the license shall become due at once, which shall be recovered together with all losses as if they were arrears of land revenue.

8. The penalties laid down in the last preceding clause shall not exempt the licensee or his employees from prosecution for any offence committed against the Excise laws or rules in force.

Notification dated 26th March 1903.

The exclusive right of transporting passengers, goods, vehicles, animals, etc., and of collecting tolls at the ferries specified in the annexed list will be put up to auction on the dates specified therein by the Amildar or Sheristadar at each taluk head-quarters, subject to confirmation by the Deputy Commissioner.

2. The auction will begin at 12 noon on the days fixed, and will, if necessary, be continued on the following days.

3. The ferries will be leased out for twelve months, from the 1st July 1903 to 30th June 1904, both days inclusive.

4. The monopoly covers only so much of the river as lies within 500 yards on each side of the ferry. The Deputy Commissioner forbids the transport within these limits of the passengers, etc., as aforesaid, and the collection of tolls therefor, except by or on behalf of the lessee or other person authorized by the Deputy Commissioner.

5. The accepted bidder shall, immediately on the declaration of the acceptance of his bid, produce before the officer conducting the sales, one-fourth of the accepted bid, failing which, the lease will be re-sold at the first purchaser's risk.

6. The accepted bidder shall, within four days of the acceptance of the bid, execute in favor of the Deputy Commissioner an agreement on a stamped paper with two tangible sureties for the due fulfilment of the contract, and deliver it to the Amildar or Sheristadar, as the case may be, and thereupon the Deputy Commissioner will authorize the executant of the said mutchalika to enter into his contract. If the accepted bidder fails to execute and deliver the mutchalika, the lease will be re-sold or otherwise disposed of at the defaulting bidder's risk, the deposit already made being forfeited to Government.

7. Where there are no boats or "Tokras," they shall be provided by the lessees at all the ferries. The boats kept by the lessees shall always be of the size and quality approved by the Deputy Commissioner, Executive Engineer or Amildar.

8. Whenever boats and platforms are provided by Government, they shall be returned to Government on the termination of the lease or on being demanded by the Deputy Commissioner or other officer authorized by him, on the same condition on which they were supplied to him, subject only to reasonable wear and tear. Loss or damage arising from neglect or want of care shall be made good by the lessee. The lessee shall always be bound to keep the ferries or boats in good order and clean.

9. The lessee shall be entitled to collect tolls at the rates specified in the list hereto annexed, and no fee or toll shall be demanded in the cases enumerated below:—

(*a*) Government mails, stores and remittance and all persons, animals and vehicles employed in carrying the same.

(*b*) All Government officials including troops travelling on duty, and also in the case of Police officers, prisoners and property in their custody.

(*c*) All parties employed by Government servants to carry official reports, when so carrying such reports.

(*d*) Children under 12 years of age.

(*e*) The Deputy Commissioner is at any time, and for any length of time, at liberty to attach the ferry boats for the conveyance of troops, camp equipage and followers, and the contractors and their servants will be bound to give all reasonable assistance to ensure their speedy and safe carriage.

10. The balance of the contract amount shall be paid by the lessee to Government in nine monthly instalments, commencing from July 1903, the deposit being credited to the last three "Khists." All payments shall be made in the Treasury of the taluk in which the ferry lies.

11. At each ferry a board showing the rates and the weight to be carried should be put in a conspicuous place by the lessee at all times when the ferry is worked excepting those places where provision is made by the Deputy Commissioner.

Notice No. 5807-7, dated 24th March 1903.

1. Notice is hereby given that the exclusive privilege of selling intoxicating drugs in each of the shops specified in the *schedule hereto appended; for the twelve months beginning with 1st July 1903 and ending with 30th June 1904, will be put up to public auction by the respective Deputy Commissioners or by Assistant Commissioners specially authorized by the Deputy Commissioners for the purpose, at the respective taluk head-quarters, on the dates specified in the said schedule, subject to the conditions hereinafter set forth.

2. Each bidder at the auction will deposit a sum of Rs. 5, or such other reasonable amount as may be fixed by the officer conducting the sale, previous to bidding. Each shop will be knocked down to the approved highest bidder, subject to formal confirmation by the Deputy Commissioner, who will be at liberty to accept or reject the bid at discretion without assigning reasons for the same. Such formal confirmation will, *unless revised by Government*, be tentamount to an acceptance of the bid. Parties intending to bid must attend either in person or by duly accredited agents.

3. As soon as the auction is completed, the deposits made by the unsuccessful bidders and not forfeited as hereinafter provided, will be returned to them. As the auction proceeds, the person whose bid is accepted for each shop shall at once deposit a sum equal to $\frac{5}{9}$ths of a month's rent for that shop. Should he fail to do so, the deposit made by him under para 2 will be forfeited, the shop will at once be put up again on the above conditions, and he will be debarred from bidding again for the same or for any other shop.

4. The persons to whom the shops have been knocked down, and who have made deposits as provided in paras 2 and 3, shall also, within seven days from the date of the auction, deposit such further sum as, with the first and second deposits, will make up an amount equal to two months' rent of each shop knocked down to them; and shall take out licenses and execute a counterpart engagement, in the prescribed forms, on the conditions hereinafter set forth. On the failure of any person to make the deposit or to take out license or to execute the counterpart engagement, as aforesaid, the shop will be re-sold at the risk of such person, or if the auction hereby notified has already been completed, will be otherwise disposed of at the discretion of the Deputy Commissioner. In the latter case, the forfeited deposit will be deducted from the loss arising from the re-sale and the remainder, if any, will be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by re-sale, the whole of such deposit will be credited to Government.

If such amount be less than Rs. 12, it shall be paid up in not more than three instalments. When a license is cancelled, the rent for the whole period of the license shall become due at once, which shall be recovered together with all losses as if they were arrears of land revenue.

8. The penalties laid down in the last preceding clause shall not exempt the licensee or his employees from prosecution for any offence committed against the Excise laws or rules in force.

EXCISE DEPARTMENT.

SALE OF DRUG SHOPS FOR 1903-1904.

Notice No. 5807-7, dated 24th March 1903.

1. Notice is hereby given that the exclusive privilege of selling intoxicating drugs in each of the shops specified in the *schedule hereto appended, for the twelve months beginning with 1st July 1903 and ending with 30th June 1904, will be put up to public auction by the respective Deputy Commissioners or by Assistant Commissioners specially authorized by the Deputy Commissioners for the purpose, at the respective taluk head-quarters, on the dates specified in the said schedule, subject to the conditions hereinafter set forth.

2. Each bidder at the auction will deposit a sum of Rs. 5, or such other reasonable amount as may be fixed by the officer conducting the sale, previous to bidding. Each shop will be knocked down to the approved highest bidder, subject to formal confirmation by the Deputy Commissioner, who will be at liberty to accept or reject the bid at discretion without assigning reasons for the same. Such formal confirmation will, *unless revised by Government*, be tantamount to an acceptance of the bid. Parties intending to bid must attend either in person or by duly accredited agents.

3. As soon as the auction is completed, the deposits made by the unsuccessful bidders and not forfeited as hereinafter provided, will be returned to them. As the auction proceeds, the person whose bid is accepted for each shop shall at once deposit a sum equal to $\frac{5}{6}$ths of a month's rent for that shop. Should he fail to do so, the deposit made by him under para 2 will be forfeited, the shop will at once be put up again on the above conditions, and he will be debarred from bidding again for the same or for any other shop.

4. The persons to whom the shops have been knocked down, and who have made deposits as provided in paras 2 and 3, shall also, within seven days from the date of the auction, deposit such further sum as, with the first and second deposits, will make up an amount equal to two months' rent of each shop knocked down to them; and shall take out licenses and execute a counterpart engagement, in the prescribed forms, on the conditions hereinafter set forth. On the failure of any person to make the deposit or to take out license or to execute the counterpart engagement, as aforesaid, the shop will be re-sold at the risk of such person, or if the auction hereby notified has already been completed, will be otherwise disposed of at the discretion of the Deputy Commissioner. In the case of the purchaser's death after the confirmation of the sale, it will be binding on his heirs or assigns.

5. Re-sales effected under para 4 will be at the risk of the defaulting bidder, who will forfeit all gain; and in the event of a loss by re-sale, he will make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case, the forfeited deposit will be deducted from the loss arising from the re-sale and the remainder, if any, will be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by re-sale, the whole of such deposit will be credited to Government.

6. The license to be taken out under para 4 above, shall be subject to the following conditions, namely:—

(1) The amount for which the privilege has been purchased shall be payable into the Taluk Treasury on the prescribed challan in equal monthly instalments commencing from July 1903; each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent shall be payable on or before the 20th of the same month on the challan prescribed for the purpose. If such amount be less than Rs. 12, it shall be paid up in not more than three instalments. The deposit of two months' rent made by the licensee, will be taken in payment of the rents due for the last two months of the period of the license. Failing payment by the 20th of the same month, the Deputy Commissioner shall at once proceed to recover the arrears together with interest at 6 per cent under the rules in force for the collection of land revenue. No remission or abatement of the rent shall, on any account whatever, be claimable by the licensee.

(2) The licensee shall purchase Ganja and Majum from any Bonded Depôt at the rates of Rs. 0-13-4, and Rs. 0-5-4, respectively, per seer of 80 tolas; and shall pay the price to the Mutsaddi in charge of the Depôt.

(3) The rates payable as above, shall be in addition to Excise duty, which shall be prepaid into the Taluk Treasury, or into any other Government Treasury with the permission of the Deputy Commissioner, at Rs. 3-6-8 per seer of Ganja and Rs. 0-11-8 per seer of Majum, (including local cess).

(4) The Ganja sold by the licensee, shall be of good quality and unadulterated, and it shall be sold by him at Rs. 5 for a seer of 80 tolas of Ganja and of Rs. 1-10-8 for a seer of Majum; and the whole stock of Ganja and Majum on hand shall be kept in the licensed shop and not elsewhere on any pretext whatever, without special permission.

---

*NOTE.—For Schedule, see *Mysore Gazette*, No. 18, dated 2nd April 1903.

(5) The licensee shall use such scales and weights as may from time to time be prescribed by Government, and provide himself with the printed forms of accounts and permits or passes for transport of Drugs, which forms shall be purchased from local Excise Officers.

(6) The licensee shall be bound to take over any Drugs which may remain as stock in hand belonging to the out-going licensee on the 1st July 1903 in the existing shop, paying to the latter such compensation for the same as may be fixed by the Deputy-Commissioner.

7. The licensee shall be bound by the rules in force, and by such further rules as may be issued from time to time by Government.

(8) The remaining terms and conditions shall be as set forth in the prescribed license.

7. In the case of any breach of the above conditions either by the licensee, or with his connivance and privity, by any person in his employment, or in the event of the licensee neglecting to open his shop or to carry on his business with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding Rs.10 for every such breach or neglect, or at the option of the Deputy Commissioner to declare the money deposited with him forfeited, and to cancel the license and to re-sell or to otherwise dispose of the privilege at the risk of the licensee; and all loss thereby caused, together with the loss accruing to Government in consequence of the licensee not carrying on his business by opening his shop on 1st July 1903 shall be made good by him. When a license is cancelled, the rent for the whole period of the license shall become due at once, which shall be recovered together with all losses as if they were arrears of land revenue.

8. The penalties laid down in the last preceding clause shall not exempt the licensee or his employees from prosecution for any offence committed against the Excise laws or rules in force.

11. If the President or the Health Officer or any person authorized by the President in that behalf, has reason to believe that there is an unprotected child in any house, he may call upon the parent or guardian of any child in the house or the occupant of the house in the absence of the parent or guardian there to produce for inspection between 6 A.M. and 6 P.M., all the children in the house or under his care, and to state their age, parentage and place of birth and the duration of their residence in the City; and he shall, if on such requisition the occupant of the house or the parent or guardian refuse to produce such children for inspection, or if, after inspection the fact is proved to his satisfaction that any child is unprotected, forthwith deliver to such parent or guardian, or caused to be affixed to his house, a notice requiring that the child be vaccinated within fifteen days at a time and place to be specified in the said notice. The person to whom the notice above referred to is given shall be bound to comply with it, unless he can produce a certificate stating that the child has already been successfully vaccinated or is either unfit for, or insusceptible of, vaccination.

FINANCIAL DEPARTMENT.

PAYMENTS TO TALUK ESTABLISHMENT AND THEIR ENTRY IN ACCOUNTS.

Circular No. 2011, *dated 3rd—15th April* 1903.

To—The Deputy Commissioners, Treasury Department.

In pursuance of para 18 of Government Proceedings No. Fl. 110-12-13—1901-02, dated 7th February 1903, the Comptroller has the honor to request that the following procedure may be observed from 1st July next in regard to payments to Taluk Establishments, and to their entry in Accounts.

2. Instead of each payment as it is made, being charged in the Taluk "C" Accounts and sending a baraward on the 11th or 12th for all payments made from 1st to 10th and likewise a supplemental one on the 22nd for all payments from 11th to 20th, a consolidated bill for the amount due to each Establishment shall be prepared according to the instructions contained in Article 55 of the Taluk Manual, and presented for payment at the Taluk Treasury, where the full amount of the bill shall be paid to the officer drawing the bill and charged in the "C" Accounts, the drawing officer, who is personally responsible for every salary drawn on a bill signed by him, making his own arrangement for disbursement to the officials concerned; a similar procedure shall also be observed in disbursing arrear pay of Establishment (Article 73).

(1) Amildar's Taluk Cutcherry Establishment.
(2) Sayer Establishment.
(3) Travellers' Bungalow Establishment.
(4) Police Establishment.
(5) Hobli School Masters.
(6) Taluk School Establishments.

3. *Forest Establishment.*—Under the existing arrangement, pay to Forest subordinates is disbursed on bills prepared by each Forest Ranger and passed by the District Forest Officer, and at the close of the month a consolidated bill for the whole district is prepared by the latter and sent to Treasury in support of the total debits in the various Taluk Accounts. Instead of this practice, the District Forest Officer shall at the beginning of each month prepare a consolidated bill, as in the case of other Departments, for all the Taluk Establishments in the district, and send it to the District Treasury for encashment, with a schedule of taluk cheques for the amounts required for disbursement at the taluks. The District Treasury Officer will charge the entire bill, credit by transfer the amounts of taluk cheques to the proper head concerned and send these cheques together with a balance in cash to the District Forest Officer.

4. *Commission to Sub-Registrars.*—Similarly on the first of every month or so the District Registrar shall prepare a bill for the commission payable to Sub-Registrars from the patties received from them showing the fees realized by them and the commission payable thereon, and send it to the District Treasury Officer, who will disburse it by forwarding to the District Registrar the required cheques on the several Taluk Treasuries. The present practice of

paying commission on a separate bill for each taluk and of then obtaining a consolidated bill at the close of the month from the District Registrar for all the payments made, should be discontinued.

5. *Permanent and Temporary Remuneration to Shanbhogs and Patels.*—Instead of payments being made to parties as they appear on individual receipts, and then entering all the payments in a detailed bill signed by the Treasury Officer and countersigned by the Deputy Commissioner, each payment, as it is made, from 1st to 10th of a month shall be entered in the form of the detail bill prescribed in this office Circular No. 1470 of 12th March 1890, and the bill itself (closed on the 10th of the month and signed by the Amildar) shall be sent to the District Treasury with the "C" Account of that date, and a similar bill for all payments made from 11th to the last day of the month should accompany the "C" Account of the last day of the month.

Articles 60 to 72 of the Taluk Manual are hereby cancelled.

9. The President may cancel any certificate given under these bye-laws if it be proved to his satisfaction that such certificate has been improperly given or obtained on behalf of any unprotected child, and thereupon such certificate shall no longer be valid.

10. (1) No fee or remuneration shall be accepted by a Municipal vaccinator for any vaccination performed or certificate given under these bye-laws.

But if any parent or guardian is desirous that a child should be vaccinated in his own house, the President or Health Officer, or any person duly authorized by the President in this behalf, shall, upon application by such person, direct a vaccinator to perform the vaccination as hereinbefore provided, at the residence of such person.

(2) If any child, or the parent or guardian of a child, in respect of whom the application above referred to is made is a female, who, according to the customs of the country, does not appear in public, the President or the Health Officer or any person duly authorized by the President in that behalf, shall direct a female vaccinator to visit the house of the said parent or guardian and perform the vaccination in the same manner as if the child had been presented for vaccination at a Vaccine Depôt.

11. If the President or the Health Officer or any person authorized by the President in that behalf, has reason to believe that there is an unprotected child in any house, he may call upon the parent or guardian of any child in the house or the occupant of the house in the absence of the parent or guardian there to produce for inspection between 6 A.M. and 6 P.M., all the children in the house or under his care, and to state their age, parentage and place of birth and the duration of their residence in the City; and he shall, if on such requisition the occupant of the house or the parent or guardian refuse to produce such children for inspection, or if, after inspection the fact is proved to his satisfaction that any child is unprotected, forthwith deliver to such parent or guardian, or caused to be affixed to his house, a notice requiring that the child be vaccinated within fifteen days at a time and place to be specified in the said notice. The person to whom the notice above referred to is given shall be bound to comply with it, unless he can produce a certificate stating that the child has already been successfully vaccinated or is either unfit for, or insusceptible of, vaccination.

12. (1) Any person who, in contravention of the provisions of these bye-laws—

(2) Any vaccinator who, by a careless operation or by the use of lymph which he has reason to believe is impure, injures the health of a child or refuses or neglects to grant to the parent or guardian of any child any certificate which he is entitled to receive from him; and

(3) Any Municipal vaccinator, who receives any remuneration for vaccinating a child or for granting a certificate,

shall be liable on conviction before a Magistrate to a fine which may extend to twenty rupees.

DRAFT BYE-LAWS REGARDING COMPULSORY VACCINATION.

1. In these Bye-Laws—

"Parent" means the father or mother of a legitimate child and the mother of an illegitimate child.

"Guardian" means any person to whom the care, nurture, or custody of any child falls by law or by natural right or recognised usage, or who has accepted or assumed the care, nurture, or custody of any child, or to whom the care or custody of any child has been entrusted by any authority lawfully authorized in that behalf.

"Vaccinator" means any vaccinator appointed by the Municipal Commissioners, or any person who holds the written permission of the President, to vaccinate within the City.

"Qualified Medical Practitioner" means a person holding a diploma which entitles him to practise as a Surgeon or a Physician in the Territories of His Highness the Maharaja of Mysore, and also an Assistant Surgeon, a Licentiate of Medicine, an Apothecary and a Hospital Assistant.

"Child" means a boy under twelve years of age or a girl under ten years of age.

"Unprotected child" means a child who has not been protected from small-pox by having had that disease either naturally or by inoculation or by having been successfully vaccinated, and who has not been certified in the manner hereinafter provided to be insusceptible of vaccination.

"Vaccine Depôt" means a place or building where, by direction of Municipal Commissioners, public gratuitous vaccination is performed.

2. The parent or guardian of any unprotected child, who is more than six months old and who has resided within the limits of the City for two months, shall take or cause the child to be taken to a Vaccine Depôt for vaccination, or shall procure his vaccination by a vaccinator.

3. The vaccinator to whom a child is taken for vaccination shall, if he finds that such child is not in a state to be vaccinated, deliver to the child's parent or guardian a certificate to the effect that the child is then in a state unfit for vaccination. The said certificate shall remain in force for three months only, and may be renewed, if necessary.

4. If the vaccinator is of opinion that the child is in a state fit for vaccination, he shall vaccinate the child and deliver to his parent or guardian a memorandum stating the date on which the vaccination has been performed and that on which the child is to be inspected in order to ascertain the result of the operation.

5. (1) On the date of inspection given in the memorandum, the parent or guardian of every child who has been vaccinated under the last preceding bye-law, shall take or cause him to be taken to a vaccinator for inspection.

(2) If the vaccinator finds on inspection that the vaccination has been successful, he shall give to the parent or guardian a certificate to that effect.

(3) In the event of the vaccination being unsuccessful, such parent or guardian shall, if the vaccinator so direct, cause the child to be vaccinated and subsequently inspected as on the previous occasion.

6. If the vaccinator is of opinion that a child who has been three times unsuccessfully vaccinated is insusceptible of vaccination, he shall deliver to the parent or guardian of such child a certificate to that effect.

7. Any parent or guardian who procures the vaccination of an unprotected child by a vaccinator not employed by the Municipal Commissioners shall forward a certificate of successful vaccination to the President, or Health Officer, or any person authorized by the President, within fifteen days from the date of vaccination.

8. The President will accept certificates from a qualified medical practitioner as to (i) successful vaccination, (ii) the unfitness of a child for vaccination, and (iii) the insusceptibility for vaccination.

9. The President may cancel any certificate given under these bye-laws if it be proved to his satisfaction that such certificate has been improperly given or obtained on behalf of any unprotected child, and thereupon such certificate shall no longer be valid.

10. (1) No fee or remuneration shall be accepted by a Municipal vaccinator for any vaccination performed or certificate given under these bye-laws.

But if any parent or guardian is desirous that a child should be vaccinated in his own house, the President or Health Officer, or any person duly authorized by the President in this behalf, shall, upon application by such person, direct a vaccinator to perform the vaccination as hereinbefore provided, at the residence of such person.

(2) If any child, or the parent or guardian of a child, in respect of whom the application above referred to is made is a female, who, according to the customs of the country, does not appear in public, the President or the Health Officer or any person duly authorized by the President in that behalf, shall direct a female vaccinator to visit the house of the said parent or guardian and perform the vaccination in the same manner as if the child had been presented for vaccination at a Vaccine Depôt.

11. If the President or the Health Officer or any person authorized by the President in that behalf, has reason to believe that there is an unprotected child in any house, he may call upon the parent or guardian of any child in the house or the occupant of the house in the absence of the parent or guardian there to produce for inspection between 6 A.M. and 6 P.M., all the children in the house or under his care, and to state their age, parentage and place of birth and the duration of their residence in the City; and he shall, if on such requisition the occupant of the house or the parent or guardian refuse to produce such children for inspection, or if, after inspection the fact is proved to his satisfaction that any child is unprotected, forthwith deliver to such parent or guardian, or caused to be affixed to his house, a notice requiring that the child be vaccinated within fifteen days at a time and place to be specified in the said notice. The person to whom the notice above referred to is given shall be bound to comply with it, unless he can produce a certificate stating that the child has already been successfully vaccinated or is either unfit for, or insusceptible of, vaccination.

12. (1) Any person who, in contravention of the provisions of these bye-laws—

(*a*) neglects without reasonable excuse to take or cause a child to be vaccinated, or after vaccination to be inspected, on a date to be prescribed by the vaccinator,

(*b*) neglects to forward a certificate of successful vaccination under bye-law 7,

(*c*) refuses to give information, or wilfully gives false information required by bye-law 11 regarding an unprotected child, or neglects to comply with the notice under the same bye-law;

(2) Any vaccinator who, by a careless operation or by the use of lymph which he has reason to believe is impure, injures the health of a child or refuses or neglects to grant to the parent or guardian of any child any certificate which he is entitled to receive from him; and

(3) Any Municipal vaccinator, who receives any remuneration for vaccinating a child or for granting a certificate,

shall be liable on conviction before a Magistrate to a fine which may extend to twenty rupees.

13. A parent or guardian, who after conviction under bye-law 12, continues for one month his refusal or omission, may again be convicted before a Magistrate and shall again be liable to a fine not exceeding twenty rupees.

14. Whoever not being a vaccinator under these bye-laws wilfully signs or makes a certificate purporting to be a certificate granted under these bye-laws, shall be liable to a fine not exceeding Rs. 500.

15. Whoever being a vaccinator wilfully signs, or makes, or procures the signing or making of a false certificate under these bye-laws, shall be liable to a fine not exceeding Rs. 100.
